

NEED AN ELECTRICITY CONNECTION?

- Independent Connection Provider
- Often quicker and cheaper than your current Network Provider
- One off plots to multiple developments
- Specialists in Street Lighting connections
- Single phase and 3 phase connections
- Low Voltage and High Voltage installations
- Domestic and Commercial
- Illuminated Street Furniture
- Lloyds registered company
- Free quotations
- Local business
- Single point of contact
- Full site mains installations
- Full Public Liability Insurance
- NRASWA Accredited
- Fully trained staff
- Connection taken care of from start to finish
- Combined 50 years utility experience

If you've already had a quote from your Network Provider there's still time to give us a call and see how much we can save on your connection.
